

**Tri-County Solid Waste District
RESOLUTION 2002-03**

IN THE MATTER OF THE AMENDMENT OF THE
DISTRICT'S SOLID WASTE MANAGEMENT PLAN

WHEREAS, the Tri-County Solid Waste District has an approved Solid Waste Management Plan; and

WHEREAS, the Plan calls for all collection systems to adopt a volume-based pricing system by December 31, 2002; and

WHEREAS, few collection systems within the District have complied with this provision and will be unable to comply with it prior to December 31, 2002.

NOW, THEREFORE, THE DISTRICT BOARD DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The Tri-County Solid Waste District hereby amends its Plan to remove the provisions calling for volume-based pricing systems by December 31, 2002.

Section 2. The District replaces these provisions with the following language:

Every local government controlling waste collections and/or private waste hauler shall submit a plan for the implementation of a Pay-As-You-Throw pricing system to the District and obtain approval of this plan by December 31, 2003.

Failure to obtain approval of a plan by December 31, 2003 will make governmental entities ineligible for recycling grants and other District services and will make waste haulers ineligible to hold a waste haulers license.

Section 3. The Director will submit these changes to ADEQ for approval.

Approved this ____ day of November, 2002.
