

Resolution 2012-03

A Resolution of the Boston Mountain Solid Waste District Board affirming the receipt of the Arkansas Attorney General's Opinion 2011-142 regarding board term limits for non-elective board members.

Whereas, An opinion from the Arkansas Attorney General's Office was requested through State Rep. Uvalde Lindsey (D-Fayetteville) when confusion arose to term limits for non-elected and appointed board members to the Boston Mountain Solid Waste District Board of Directors; and

Whereas, Other opinions, under different Attorney Generals from the State of Arkansas, did not address the questions sought by board members and others about the potential future appointment or reappointment for these term limited members to additional terms in the future.

Therefore, the Boston Mountain Solid Waste District Board and Director have received the Attorney General's Opinion, which is not binding as law, but does reflect the Attorney General's opinion on the law, accepts this opinion statement and makes it a part of the District's rules.
