

BOSTON MOUNTAIN SOLID WASTE DISTRICT  
RESOLUTION NO. 2015-04

A RESOLUTION CERTIFYING SUFFICIENT FUNDING FOR ELECTRONIC WASTE PROGRAMS AND  
AUTHORIZING USE OF EXCESS FOR OTHER PROGRAMMING

**WHEREAS**, Boston Mountain Solid Waste District operates a program for the recycling and disposal of computer and electronic equipment waste ("e-waste") in addition to the many other programs operated by the District; and

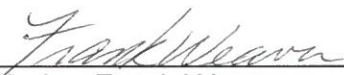

**WHEREAS**, Act 1176 of 2015 authorized the use of e-waste grant funds for other recycling programs if the funding for the e-waste program is sufficiently funded; and

**WHEREAS**, the Board wishes to certify that there are sufficient funds for the e-waste program so that excess funds can be used to implement new recycling programs.

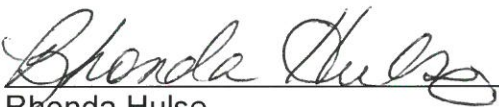

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF THE BOSTON MOUNTAIN SOLID WASTE DISTRICT THAT:**

**SECTION 1. Certification.** In accordance with Act 1176 of 2015, the Board hereby certifies that the District has sufficient funds to operate the District's existing computer and electronic equipment recycling program. Funds are not needed for the approved computer and electronic equipment recycling program. Excess funds from any computer and electronic equipment recycling grant may, therefore, be used to implement and operate other new or existing recycling programs of the District.
